Our Hope for the Flowers

At the beginning of June, 1979, the new Senior Class was allowed into the privileged Senior Glen. All were excited because they, the Javelins, waited for three years to enjoy the beauty and peace of the glen.

At a class meeting, the Seniors discussed plans on ways to make them a special Senior Class. There was a suggestion that the Seniors beautify the glen by planting flowers in their class colors of Rust and Gold. A few days later a meeting of the entire class was called to vote on the suggestion. It was a unanimous decision that they would plant the flowers. This goal became a reality. A group of them weeded, plowed and planted the flowers.

We, the Yearbook Staff, believe that there is hope for every flower that is planted. These seeds that were planted in the Senior Glen were placed there with the hope that they would grow. We want THE DEFENDER to capitalize on this senior adventure. Therefore, our theme selection for this year is HOPE FOR THE FLOWERS and our dedication is extended to each and every person who is part of St. Michael's High . . . Our Hope for the Flowers.

...to our faculty who has shared creatively and enthusiastically. Besides helping us improve academically, they have worked to better us spiritually and morally. From them we have learned to value our Faith and to hope for a better tomorrow.

...to the LaTaes, class of 1983, who started as "tiny seeds planted in the soil of education". They have matured into "delicate ladies" fit for the responsible positions awaiting them in the future.

...to our class of 1982, the Chauncis , who are "roses touched by the morning dew". They continue to grow and to cultivate the qualities for successful lives.

...to the Chanels, class of 1981, who are the "flowers growing strong and steady". You are embraced by the glowing sun. All of us wait for the beauty you will soon show us.

...to the Javelins, class of 1980. You are "rare orchids at the peak of beauty". It is you who reflect the growth, the care, the love, the hope and the prayers of all who have waited to see you mature. You will never be duplicated and no other class will ever compare because you are unique. . . . HOPE FOR THE FLOWERS.

Exploring the World

Moderator, Miss Crino, reviews information with MUN students.

Model UN takes place on the University of California, Riverside campus, in late February. It is sponsored by the political science department at UCR.

The purpose of MUN is to give high school students the opportunity to learn by doing. They act out their roles as delegates and arrive at an understanding of how international relations and diplomacy operate. They also learn how to research and present a topic of current importance. This year St. Michael's students are representing Bolivia.

Carol and April research their information on Bolivia. They are amazed by what they have discovered.

Christian Service Club

To be a volunteer is a very rewarding experience in preparing for your goals in life. The purpose of the Christian Service Club is to provide an opportunity for Starlets who are involved in various forms of volunteer work to meet and discuss their concerns. Many volunteer at Daniel Freeman Hospital, Spastic Children's Foundation the Home for the Junior Blind or teach CCD classes in their parishes. Also, the club, under the leadership of Estrella Diaz, sponsors fundraisers and other activities to involve the entire Studentbody in helping the sick and needy of our community.

Carol Shaw, LaTanya Wilson, Veronica Williams, Veronica Lloyd, Zaydell Falk, Opal Johnson, Renee Wilcots, Carla Hawkins, Carol Smith, Anita Felton, Alice Johnson, April Hill, Veronica Rowl, Carol Giles, Nina Barnes, Ms.Collard, Everly Austin, Estrella Diaz, Sharon Morell, Michelle Stanley, Sharon Franklin, Miki Conway

Congratulations

Mongra Crowder, Janet Sanchez, and Nina Barnes are just three out of the many who have been active in the Christian Service Club here at St. Michael's. Some of the areas of volunteer work that they have participated are: Medical Records office, Outpatient Laboratory Orthopedics, Information Desk, Labor and Delivery, Oncology, Intensive Care, Nursery and Pediatrics. Because they have served as volunteers for the last four years, we honor them for their consistent service.

At Christmas time, some Starlets helped prepare Cardinal Timothy Manning's Christmas party given every year at Maryvale for orphan children. Activities included wrapping gifts, decorating, and serving the party treats.

Seeking a Just Society

The Social Justice Core Group was formed at the beginning of the second semester. The purpose of this group is to encourage awareness within the studentbody of the social injustices in our society and to respond to these injustices by some action. The three main areas of concern for this year were: hunger, abused children and unwed mothers.

The organization is a national, vocational, educational organization for high school, community college, vocational school and university students who are preparing for business education careers. Its purpose is twofold:

1) to provide additional opportunities for students to develop vocational and career competencies

2) to promote civic and personal responsibility.

just face it with a will;
You do not have to work alone
Since God is with you still,
Push on with courage toward the
